

Dear Patient,

Our office makes every attempt to file with your insurance company. We do ask that you arrive to your scheduled appointment 15 minutes early so that we can contact your insurance upon arrival and check your benefits for infertility. We also advise you to call your insurance so you can be aware of your benefits before you arrive. If you have not met your deductible or your out of pocket amounts, that will be collected before you see the doctor as well as any copay you may have.

******* If you need to cancel your appointment*****
Please call 48 hours prior to canceling.
There will be a \$ 50.00 fee if no call is made.**
